Description

- The Ridge is a minimalist, RFID-blocking wallet. The main cardholder uses elastic to expand to hold up to 12 IDs and credit cards. The typical leather bi-fold gets packed with faded receipts and unnecessary cards, resembling something more like a suitcase than a wallet. The Ridge is minimalist without being limiting. It's about carrying less but always having what you need.
- **Cash Strap:** A thin and versatile elastic. Ideal for carrying: cash, ID's, or RFID-

enabled cards.

Money Clip: A traditional money clip made from spring steel. Ideal for carrying: cash, RFID-enabled cards, or business cards.

- **99-Day Risk Free Trial**

Try it for 99-days, and if you don't like it for any reason at all send it back, no questions asked.
