Dimensions: 0.00in x 0.00in x 0.00in

Price: \$900.00

Description

The Luminox Sport Timer combines a Swiss automatic movement with a sporty vintage look. The blue bezel ring of this sophisticated watch is made of ceramic, making it super scratch resistant and lightweight. To show off the automatic movement, this timepiece features an exhibition case back, with a blacked-out rotor adorned with the Luminox logo.
